

Inno-Cleaners 5 pieces

Art.: 04.1700.0320

Plastic bag 5 pieces

Inno-Cleaners are very powerful, long-life microfibre cleaning cloths. Thanks to their unique structure they can remove just about every type of dirt without using chemical cleaning agents and without damaging the surface.

Base:	Polyamide / polyester
Density:	100 g/m ²
Water absorption:	423%
Dimensions:	38 cm x 43 cm
Application method:	Rinse Inno-Cleaner thoroughly in clean water before use and then squeeze out most of the water until almost dry. It is now ready to use (e.g. in combination with Innotec Easy Clean , Multi Clean or Innoplast Cleaner). Pass the cloth over the surface to be cleaned. If necessary, rinse again with clean water while working and squeeze out water until almost dry. This is done to make sure there are no drying marks left after cleaning.
Shelf life:	Unlimited in original, unopened packaging
Other details:	Inno-Cleaners can be washed in the washing machine (max. 60°C). Do not use a fabric softener. OEM approved
EAN Code:	5400563022504

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
