

## Alu Powder

Art.: 80.0200.1085

Jar 10 g

Alu Powder is part of the Innotec Scratch Repair System and is a specially developed aluminium pigment that should be added to the [Alu Scratch Repair](#). By adding this product the repair resin will obtain the required hardness, so that it will be perfectly sandable once it is dry.

Base:	Stabilized aluminium pigment
Consistency:	Paste
Solvents:	Naphta
Flash point:	> 41°C
Temperature resistance:	-60°C to +80°C
UV resistance:	Good
Water resistance:	Good
Solvent resistance:	Moderate
Application conditions:	+5°C to +35°C
Type of surface:	Almost all aluminium and metal surfaces
Surface preparation:	The surface must be clean, dry and free of grease. Clean the repair area using Innotec <a href="#">Repaplast Cleaner Antistatic</a> (allow to evaporate for 5 minutes).
Application method:	In a mixing cup, add a little Alu Powder to the <a href="#">Alu Scratch Repair</a> and mix until a homogeneous mixture is obtained (mixture approx 1:10).
Cleaning of materials used:	With Innotec <a href="#">Multisol</a>
Cleaning of hands:	With Innotec <a href="#">Safe Hand Clean Plus</a> and water
Shelf life:	12 months
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563030837

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our

products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
