

## TECHNICAL INFO

# Easy Clean 1 l

Art.: 04.1153.9999

1 l

Easy Clean is a professional liquid cleaner for use on just about any kind of surface. It removes nicotine, grease, dirt, salt and silicone and is also very effective in removing insects.

|                             |  |
|-----------------------------|--|
| Base:                       | Mixture of inorganic salts, bases, surface-active ingredients and alcohol  |
| Density:                    | 1040 kg/m <sup>3</sup>   |
| Consistency:                | Liquid   |
| Viscosity:                  | 1 mPa.s  |
| Application conditions:     | +5°C to +30°C  |
| Type of surface:            | Almost all kinds of surfaces. This product contains natrium metasilicate: do not let dry on glass!   |
| Application method:         | Spray Easy Clean evenly over the surface to be cleaned and leave to take effect. Work in with a cloth or brush on very dirty or rough surfaces. After application always rub dry with a clean and dry cloth or rinse with plenty of water (Innotec <a href="#">Inno-Cleaner</a> ). If necessary, first test on a non-visible area. If you want to dilute Easy Clean or use it in cleaning machines or pressure cleaners: add Easy Clean to the water in the proportions of 5% to 50%, depending on the amount of dirt. |
| Cleaning of materials used: | With water   |
| Cleaning of hands:          | With Innotec <a href="#">Safe Hand Clean Plus</a> and water  |
| Shelf life:                 | 12 months in original, unopened packaging  |
| Storage conditions:         | Store cool and dry   |
| Type of batchcode:          | F  |
| EAN Code:                   | 5400563021040  |

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
