

Leather Protector

Art.: 04.3190.9999

Bottle 250 ml

Leather Protector is a very high-grade professional protective product for leather and imitation leather. The product is water-based and contains fats used in the original manufacturing of leather, but no silicones, waxes or alcohols. Leather Protector helps keep the leather supple and dirt repellent. Due to its natural composition the pores are not blocked and the leather is left free to breathe.

Base:	Condensation products of fatty acids and fluor polymers
