

TECHNICAL INFO

Dust Removers

Art.: 90.4451.9999

Dust Removers are flexible needles made from stainless steel. These needles have been specially developed to remove dust from recently sprayed, wet lacquer. Dust Removers are a professional aid for the sprayer who is looking for a perfect end result.

EAN Code: 5400563034767

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
