

Paint Shield

Art.: 04.4072.9999

Bottle 250 ml

Paint Shield is part of the Innotec Stone Chip Repair System and the Innotec Stone Chip Repair System - VW (VAS 6083A). It is a high-quality, PTFE-based polish that provides an extra protective layer and deep shine after a stone chip repair.

Base:	Mixture of wax, silicone and PTFE additives
Density:	977 kg/m ³
Consistency:	Thick fluid
Viscosity:	3000 mPa.s
Solvents:	Mixture of aliphatic solvents
Flash point:	66°C
Additions:	Emulsifiers, wax and oil
Percentage of wax:	± 4-5%
Application conditions:	+10°C to +30°C. Not in sunlight.
Type of surface:	The most common paint systems
Surface preparation:	The surface must be clean, dry and free of grease.
Application method:	Shake the bottle before use. Apply Paint Shield to a clean, soft, dry cloth (preferably an Innotec Multi Wipe) and rub into the surface you want to treat using circular movements. After treatment allow the surface to dry and rub with a soft, clean, dry cloth. Then treat the surface with a damp Inno-Cleaner , rubbing with a circular motion, and wipe dry with a Multi Wipe .
Cleaning of hands:	With Innotec Safe Hand Clean Plus and water
Shelf life:	2 years in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563025277

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
