

TECHNICAL INFO

Windscreen Knife

Art.: 90.4303.9999

The Windscreen Knife is a high-quality aluminium drawknife. The drawknife is a professional tool used to cut out vehicle windscreens. The Windscreen Knife has an anti-slip surface, giving it optimal grip in the hand and making it safe to use. In addition, the drawknife has a reversible handle so that it can be moved forwards through the sealant from every position.

EAN Code: 5400563034682

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
