

## Waterproof Tape Black 25 mm

Art.: 05.1363.0000

Roll 50 m

Waterproof Tape is a very durable self-adhesive tape with a linen backing. This makes the tape extremely strong, yet it can be torn off easily during application. The high-quality layer of glue is resistant to moisture and heat, and therefore adheres very well to nearly all surfaces, even under the most extreme circumstances.

Base:	Extruded PE coated linen tape
Dimensions:	25 mm x 50 m
Adhesive strength:	17,5 N / 25 mm
Tensile strength:	183,4 N / 25 mm
Elongation at break (%):	20% (longitudinal direction)
Peel strength:	13,3 N / 25 mm (at 180°)
Temperature resistance:	-35°C to +90°C
Water resistance:	Very good, the outer surface is also waterproof
Solvent resistance:	Reasonable
Application conditions:	0°C to +35°C
Type of surface:	The most common surfaces
Application method:	Apply to the surface straight from the roll
Correction time:	Short correction time before setting
Cleaning of hands:	With Innotec <a href="#">Safe Hand Clean Plus</a> and water
Shelf life:	12 months in original, unopened packaging
Storage conditions:	Store cool and dry, at a temperature between +5°C and 20°C
EAN Code:	5400563026182

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
