

Repaplast Cleaner Antistatic 500 ml

Art.: 04.0163.9999

500 ml

Repaplast Cleaner Antistatic is a professional cleaning product specifically designed for cleaning most types of plastics. Thanks to its unique formula, this product provides the most secure and efficient method for antistatic degreasing and pre-cleansing of plastics prior to repairs or further treatment.

Base:	Mixture of alcohols, ethers, aliphatic hydrocarbons and antistatic additives
Density:	$\pm 760 \text{ kg/m}^3$
Consistency:	Liquid (ready-to-use in aerosol)
Viscosity:	$\pm 2 \text{ mPa}\cdot\text{s}$
Solvents:	Mixture of alcohols, ethers and aliphatic hydrocarbons
Flash point:	$< 0^\circ\text{C}$
Evaporation residue:	None, the product will evaporate completely.
Application conditions:	$+10^\circ\text{C}$ to $+35^\circ\text{C}$
Type of surface:	Most types of plastics, including polypropylene, polyethylene, polyurethane, elastomer mixes, ABS, TPO, etc. and difficult materials such as metal, stainless steel, (natural) stone, etc.
Application method:	Shake can well before use. Apply Repaplast Cleaner Antistatic directly on a clean, dry cloth and treat the surface. Wipe dry with a clean, dry cloth. If you intend to proceed with other jobs such as for example gluing, leave to evaporate for approx. 5 minutes.
Cleaning of hands:	With Innotec Safe Hand Clean Plus and water
Shelf life:	2 years in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563018972

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
