

Graffiti Remover 500 ml

Art.: 04.0200.9999

500 ml

Graffiti Remover removes graffiti thoroughly from most surfaces, without causing damage. As a result, it is a multi-use product for shop-fronts, shop-windows, trains, entrance doors, street furniture, traffic signs, walls, etc. In addition, the product's composition (free of methylene chloride!) makes it extremely effective.

Base:	Mixture of organic solvents
Density:	1030 kg/m ³
Consistency:	Liquid
Viscosity:	1 mPa.s
Application conditions:	+5°C to +45°C
Type of surface:	The most common surfaces
Surface preparation:	The surface must be dry.
Application method:	Spray Graffiti Remover evenly over the surface you want to clean and leave for no more than 5 minutes to take effect. Work the product in with a brush, depending on the amount of graffiti. Then spray Graffiti Sup Clean liberally over the area for treatment and, depending on the surface, clean with a cloth, jet of water or pressure cleaner. Repeat the treatment if necessary. Test beforehand on a non-visible area.
Cleaning of materials used:	With water
Cleaning of hands:	With Innotec Safe Hand Clean Plus and water
Shelf life:	2 years in original, unopened packaging
Storage conditions:	Store in cool, dry, fire secure place at a temperature no higher than 50°C.
Type of batchcode:	F
EAN Code:	5400563020012

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
