

## TECHNICAL INFO

### CS1 500 ml

Art.: 04.3160.9999

500 ml

CS1 is a liquid designed according to the latest technology for cleaning and protection of surfaces. The product is extremely effective for quick cleaning and polishing of most smooth surfaces. CS1 gives a perfect and even shine to the treated area.

Base:	Mixture of surfactants, alcohol and vegetable oils
Density:	± 970 kg/m <sup>3</sup>
Consistency:	Liquid
Viscosity:	2 mPa.s (at 20°C)
Solvents:	Alcohol
Flash point:	13°C
Percentage of wax:	3% to 5%
Application conditions:	+5°C to +30°C. Not in sunlight.
Type of surface:	Almost any type of smooth surface such as paint, chrome, plastic, etc.
Surface preparation:	CS1 is suitable for use on lightly soiled surfaces. <u>Attention:</u> Do not use CS1 to remove large amounts of dirt or grime, e.g. sand, etc.
Application method:	Shake the bottle before use. Spray CS1 sparingly and evenly on the area to be treated. Let the product soak for several minutes if dirt is difficult to remove, e.g. insects. Wipe off and dry in a circular motion using an Innotec <a href="#">Clean &amp; Shine Towel</a> .
Cleaning of hands:	With Innotec <a href="#">Safe Hand Clean Plus</a> and water
Shelf life:	12 months in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563024065

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
