

## Multi Clean 600 ml

Art.: 04.1115.9999

600 ml

Multi Clean is a very powerful cleaner for just about every type of dirt on almost all surfaces. Forming an active foam with a very intensive effect on dirt, Multi Clean can be applied both on horizontal and vertical surfaces.

Base:	Mixture of surface active substances, glycol ether and paraffine oils in water
Density:	975 kg/m <sup>3</sup>
Consistency:	White foam
Solvents:	Glycol ether and water
Flash point:	< 0°C
Foam stability:	Very good
Application conditions:	+5°C to +30°C
Type of surface:	The most common surfaces such as upholstery, aluminium, leather, wood, lacquers and various types of plastic.
Application method:	Shake can well before use. Spray Multi Clean on the surface to be treated and allow to work for a few minutes. Then clean the surface with a clean, dry cloth (Innotec <a href="#">Multi Wipe</a> or <a href="#">Inno-Cleaner</a> ). When being applied to rough surfaces, you can use a soft brush to work in, then dry using a clean and dry cloth. In the case of glued coverings, it is advised not to spray a large amount of product directly onto the surface. Better apply the product on a clean cloth and then use the cloth to clean the surface. If necessary, first do a test on a non-visible area.
Cleaning of hands:	With Innotec <a href="#">Safe Hand Clean Plus</a> and water
Shelf life:	2 years in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563020449

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no

responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
