

TECHNICAL INFO

Cutting Wire Square

Art.: 90.4903.9999 50 m x 0,6 mm

Thin cutting wire made from strong stainless steel. The four cutting edges ensure that windscreens can be removed simply, quickly and without problem. The smooth form restricts damage to the windscreen to a minimum so that it can be easily replaced.

EAN Code:

5400563034798

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.
