

Fibres

Art.: 07.2100

Jar 4 g

The Fibres are part of the Innotec Velours Repair System and the Innotec Velours Repair System - VW (VAS 6221) and a mix of nylon and viscose, used to fill upholstery damage for a professional result. The fibres come in 20 colours and can be mixed with each other to compose new colours.

Base:	Nylon and viscose
Temperature resistance:	-30°C to +90°C
UV resistance:	Good
Water resistance:	Good
Application conditions:	+15°C to +30°C (Innotec Base Glue and Innotec Top Glue)
Type of surface:	Almost all upholstery
Surface preparation:	The surface must be clean, dry and free of grease. Clean upholstery with Innotec Remover and leave to evaporate for 2 minutes.
Application method:	Apply a small amount of Innotec Base Glue to the repair area and press the Fibres into the glue. Repeat this treatment until you reach the level just under the original cover. Finish the repair with Innotec Top Glue . See the directions for use of the Innotec Velours Repair System .
Cleaning of materials used:	With Innotec Remover
Cleaning of hands:	With Innotec Safe Hand Clean Plus and water
Shelf life:	Unlimited in original, unopened packaging
Storage conditions:	No restriction

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
