

Multi Wipes 90 pieces

Art.: 04.1305.9999

Box 90 pieces

The Innotec Multi Wipes in the small packaging are quality cloths with a newly developed fibre structure of polyester and viscose. This makes them have an even better absorption capacity and an optimal cleaning effect.

Base:	50% viscose - 50% polyester
Density:	±40 g/m ²
Water absorption:	< 2 seconds (ERT10.1-72)
Dimensions:	33 cm x 30 cm
Application method:	Pull a Multi Wipe from the box and tear off using the perforated edge. Depending on the application, Multi Wipes can be used wet or dry.
Shelf life:	Unlimited in original, unopened packaging
Other details:	White open-weave fabric
EAN Code:	5400563035337

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
