

## Hand Protector New Formula

Art.: 04.4171.9999  
Aerosol can 150 ml

Hand Protector is a protective barrier cream that leaves a non-visible, dirt-repellent film on the outer layer of the skin. Hand Protector protects against all kinds of dirt trying to penetrate and stick to the skin and works like an invisible glove. It protects your hands from serious sources of dirt such as paint, grease and oil, plaster, sealant and glue.

Base:	Water like emulsion of dirt repelling material in combination with skin protecting components
Density:	860 kg/m <sup>3</sup>
Consistency:	Creamlike
Solvents:	No solvents
Application conditions:	No restriction
Type of surface:	Hands
Surface preparation:	The hands need to be clean and dry.
Application method:	Shake can well before use. Apply a large amount of Hand Protector on the hands and rub it in evenly. Do not forget the nails and the nail rims! Let it penetrate for at least 1 minute. After working, wash the hands with normal washing movements under the tap, preferably with Innotec <a href="#">Safe Hand Clean Plus</a> and warm water.
Tack free:	Good, when dry
Recommended layer thickness:	A thin, even layer
Cleaning of hands:	With water
Shelf life:	18 months in original, unopened packaging
Storage conditions:	Store cool, dry and frostfree
Type of batchcode:	F
Other details:	Because of skin care oils it is less suitable to use in the neighbourhood of surfaces that have to be painted later.
EAN Code:	5400563025505

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
