

TECHNICAL INFO

Calcium Clean 1 l

Art.: 04.0300.6100

1 l

Calcium Clean is a unique and very powerful cleaner that removes calcium and rust in a very effective manner. Due to its unique composition, the product is extremely well suited to the cleaning of sanitary fittings in bathrooms, shower rooms, toilettes and swimming baths.

Base:	Mixture of acids and surface active substances
Density:	$\pm 1048 \text{ kg/m}^3$
Consistency:	Liquid
Viscosity:	1 mPa.s (20°C)
Tests:	Food Graded: if applied according to the HACCP norms in force
Application conditions:	+5°C to +30°C
Type of surface:	The most common bathroom and kitchen surfaces. Attention: Do not apply Calcium Clean on calcareous stones such as marble, travertine, etc.
Application method:	Spray an even layer on the surface to be cleaned by using the unique foam trigger. Leave to take effect for a few minutes. Remove heavy dirt with a brush. Always rinse with plenty of water (you can use an Innotec Inno-Cleaner). Test beforehand on a non-visible area.
Cleaning of materials used:	With water
Cleaning of hands:	With Innotec Safe Hand Clean Plus and water
Shelf life:	12 months in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563020128

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
