

Clean & Shine Towel Yellow

Art.: 04.1702.0555

Plastic bag 5 pieces

Clean & Shine Towels are ultra soft and long-lasting honeycomb towels for powerful cleaning. Thanks to the unique honeycomb material these towels are perfect for quick and effective absorption and retention of moisture and dirt. The end result is a perfectly smooth surface with no marks.

Base:	Honeycomb material with a unique fibre structure
Absorption of moisture and dirt:	800%
Density:	± 325 g/m ²
Dimensions:	40 cm x 40 cm
Application method:	The best result will be achieved when using a clean and dry towel for the absorption of moisture and dirt. Clean & Shine Towels are 33% more effective when used in a circular motion instead of in one direction. Dirty towels can be rinsed or washed.
Shelf life:	Unlimited in original, unopened packaging
Other details:	Clean & Shine Towels are machine washable (max. 90°C). Do not use fabric softener or bleach. Do not iron. Before first use, the red cloth should be washed separately and dried at a maximum temperature of 45°C.
EAN Code:	5400563022627

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
