

## Body Shop Polish

Art.: 04.3181.9999

Bottle with metering cap 500 ml

Body Shop Polish is a unique silicone free polish for just about every type of modern lacquer. Due to its special composition Body Shop Polish cleans lacquer extremely effectively.

Base:	Mixture of wax, abrasives and solvents
Density:	1040 kg/m <sup>3</sup>
Consistency:	Thick fluid
Viscosity:	740 mPa.s (at 20°C)
Solvents:	White spirit
Flash point:	> 50°C
Additions:	Abrasives
Percentage of wax:	3% to 5%
Application conditions:	+5°C to +30°C. Not in sunlight.
Type of surface:	The most common paint systems. Avoid contact with unprimed plastics. After contact rinse immediately with plenty of water and a sponge.
Surface preparation:	The surface must be clean, dry and free of grease. Wash the surface with a suitable shampoo.
Application method:	<p>Shake the bottle before use.</p> <p><u>Manual use:</u> Apply Body Shop Polish to a damp, clean and soft cloth (preferably an Innotec <a href="#">Multi Wipe</a>) and rub into the surface you want to clean using circular movements. After treatment allow the surface to dry and rub with a clean, dry and soft cloth (<a href="#">Multi Wipe</a> or <a href="#">Clean &amp; Shine Towel</a>). Apply a protective layer of Innotec <a href="#">Easy Polish</a> or Innotec <a href="#">Quick Shine Polish</a> if desired.</p> <p><u>Machine use:</u> Apply Body Shop Polish to a damp, clean and soft pad (Innotec <a href="#">Spot Pad Wool</a> or <a href="#">Spot Pad Foam</a> in combination with the Innotec <a href="#">Spot Pad Support</a>). Set to 600 revs and move over the surface you want to clean with regular movements. For a professional result build up treatment by increasing the moisture - the more moist the pad the higher the degree of shining. Always leave the surface to cool between applications. After treatment allow the surface to dry and then polish up with a clean, dry and soft pad or cloth (<a href="#">Multi Wipe</a> or <a href="#">Clean &amp; Shine Towel</a>). Apply a protective layer of Innotec <a href="#">Easy Polish</a> or Innotec <a href="#">Quick Shine Polish</a> if desired.</p>
Cleaning of materials used:	With water
Cleaning of hands:	With Innotec <a href="#">Safe Hand Clean Plus</a> and water
Shelf life:	12 months in original, unopened packaging

Storage conditions: Store cool and dry
